#### 1. INTRODUCTION & TOURNAMENT GUIDELINES:

##### A. **Tournament Eligibility.**

The tournament is open to teams that participate in HYSA leagues on Kauai, Maui, Big Island and Oahu. Teams entering the tournament must enter in the age bracket corresponding to their league age designation (corresponds to league team number). The age groups for this tournament are 7U to 12U. Playing up in age will not be allowed unless the age group has less than the required 4 teams for that age group.

##### B. **Official Start Date.**

The official start date of the tournament is February 16, 2019. Should there be any teams that withdraw prior to the official start date; the tournament committee has the authority to make needed age-group division changes to maintain the integrity of the tournament and notify respective teams. Entry fees are non-refundable.

##### C. **Official End Date.**

The official end date of the tournament is February 18, 2019. Official results will be reviewed and posted on the HYSA website. Should there be any discrepancies that are discovered following the official end date; the tournament committee has the authority to make needed changes to maintain the integrity of the tournament and notify respective teams. Teams that withdraw prior to the end of the tournament will forfeit all matches played and may receive other sanctions as determined by the HYSA Tournament Committee.

##### D. **Awards.**

Medals and Trophies will be awarded to 1<sup>st</sup> and 2<sup>nd</sup> Place teams in the 9U-12U divisions. Medals & Trophies will not be awarded in the 7/8U division – standing will not be posted. Additional awards may be made at the discretion of the Tournament Committee.

#### 2. TEAM REGISTRATION AND PLAYER ROSTERS

##### A. **Player Registration Ruling.**

- No guest players are allowed. If a player is multi-rostered, and both teams are entered in the tournament, the player must play with only one team.
- No players may be added to the roster after the frozen roster date posted on the HYSA website. Each island is considered a separate district for the 7U-12U age group.

## 2019 HYSA PRESIDENTS' DAY CUP RULES

- If you are unsure about roster procedures, transfers, or out of district players contact the State Registrar. (hysareg@gmail.com)

### B. Frozen roster date and roster limits.

Team rosters will be frozen with their respective league registrar on the date posted on the HYSA website.

For the 11U and 12U Divisions, the maximum roster is 16 players.

For the 9U and 10U Divisions, the maximum roster is 12 players.

For the 7U and 8U Divisions, the maximum roster is 8 players.

No players will be allowed to play unless their player passes are current and they are listed on the Official Tournament Roster.

- **TEAM/CLUB OFFICIALS MUST VERIFY TOURNAMENT ROSTERS ARE CURRENT PRIOR TO THE ROSTER FREEZE DATE. NO PLAYER WILL BE ALLOWED TO PLAY UNLESS THEY ARE SHOWN ON THE TOURNAMENT ROSTER OBTAINED FROM THE HYSA ON-LINE REGISTRATION SYSTEM. A COPY OF A TEAM ROSTER WILL NOT BE ACCEPTED. NO EXCEPTIONS TO THIS RULE.**
- The official roster will be obtained by the HYSA Tournament Officials from the League Registrars. If a team uses a player deemed to be ineligible, that team shall forfeit all games in the tournament.

### C. Tournament Check-In.

A team representative, with all player/coach's passes and the team roster must check in during the Tournament Check-in at a date and time to be established by the Tournament Committee. **Please check the HYSA website for the appropriate time and place to check in your team.** Neighbor Island teams do not have to attend check-in. They should report to the HYSA main tent at least 1 hour prior to their team's first game. Any team that does not satisfy all Check-in Requirements will have all of its games automatically forfeited. Game cards will be prepared based upon only those players eligible to participate in the competition. Tampering or altering game cards, player or coach passes after check-in may result in a team disqualification.

### D. Coaches on Roster Limits.

Teams may roster up to 10 coaches/managers on their roster. This must be done by having the appropriate club or league registrar add coaches to the roster in the Affinity registration system. **ONLY** the coaches listed on the official printed roster from the league registration records will be eligible to coach. Pre-Printed game cards will be prepared with up to 10 coaches on the frozen roster. **AT GAME TIME**, the team must declare which 4 coaches will remain on the sideline in the technical area for the duration of that game. All other coaches will be lined off the official game sheet by the referee.

## 2019 HYSA PRESIDENTS' DAY CUP RULES

DOCs and Technical Directors should be added to each team and are counted as part of the 10 coaches listed and will count as part of the 4 coaches allowed in the technical area.

Only the players on the field at the end of the game will be eligible to participate in the penalty kick shoot-out.

#### H. Overtime Period.

## 2019 HYSA PRESIDENTS' DAY CUP RULES

The duration of the overtime period for 9U, 10U, 11U and 12U Divisions will be two (2) ten-minute periods. Overtime periods will be played in their entirety. IF no winner is determined at the conclusion of overtime, the game will proceed to penalty kick shoot-out in accordance with FIFA procedures.

### I. Point System.

Points will be awarded as follows:

**Win = 45 points   Tie = 15 points   Loss = 0 points,  
Goals = 1 point per goal (4 maximum)  
Shutout = 1 point  
(no shutout points awarded for 0-0 ties)**

- For age-groups with one pool; the team with the most points wins.
- For age-groups with more than one pool:
- The pool winner will be determined by the total number of points awarded. Pool winners advance to the quarters, semifinals or finals. Points are not awarded in quarterfinal, semifinal or championship matches.

### J. TIE BREAKER RULES (applies to pool play only):

- 1) Scores & standings will be posted daily within a reasonable time after games have been played. Coaches are responsible for monitoring the possibility of a shootout (rule 2.d. below) if total points and tiebreakers a, b, & c do not break a pool play tie. Coaches should have their team prepared for a shootout if they are in this situation after the last pool play game in their bracket; within 60 minutes of the end of the determining match.
- 2) The pool winner will be determined based on the following Tie Breakers Rules.

Tie Breakers will apply in the following order.

- a) Head to head results (used only if two teams are tied in total points)
- b) Cumulative goal differential between goals scored and goals allowed. Maximum differential allowed is four (4) goals per game.
- c) Least goals allowed.
- d) Kicks from the penalty mark per FIFA rules.

If a shoot out is necessary it will follow the last pool play game and/or within 60 minutes (or reasonable time) of the determining match. After scores are reported to the tournament staff they will post the scores and determine if a shootout is necessary. If so they will request the referees to conduct the shootout. The shootout will be as soon as it is possible based on field availability.

For pool tiebreaker shootouts, coaches can select any legally rostered players to participate in the shoot out (for championship round shootouts players on field at the end of game will shootout using FIFA shootout rules)

- 3) Tie Breakers are used in order from a) to d) until the tie is broken. Once a Tie Breaker is considered and the tie is not broken it will not be used again.

## 2019 HYSA PRESIDENTS' DAY CUP RULES

- 4) If more than two teams have the same number of points at the conclusion of pool play, Tie Breaker a) is eliminated and Tie Breakers b), c), and d) will be used in that order to determine which team or teams advance. Whenever one or more teams are eliminated, the advancing teams will go through the Tie Breaker procedure starting again at Tie Breaker b). However, if only two teams advance, the Tie Breaker procedure will start at Tie Breaker a). This process will continue until only one team advances.
- 5) For 3-team pools; if at the conclusion of pool play all teams are tied in points, and remain tied after above tie breaker rules are followed; there will be a FIFA Kicks from the Penalty Mark (shootout). For 3-team pool tiebreaker shootouts, coaches can select any legally rostered players to participate in the shoot out. There will be a drawing before the shootout. The team pulling the "one" position will shootout with the team pulling the "two" position. The winner of this shootout will then have a shootout with the team pulling the "three" position. The winner of this shootout will be declared 1<sup>st</sup> place and the loser will be deemed 2<sup>nd</sup> place.

If the voting committee members forming the quorum are an even number, the Tournament Director may vote as long as the protest or appeal does not involve or arise from the Tournament Director's decision. If the Tournament Director cannot vote due to a conflict, an appointed neutral designee will be made to participate and vote.
  7. A decision may be reached if a simple majority is available to hear the protest either in person or by phone. The Tournament Director will provide a written ruling within 24 hours of the decision.

- o If the game had not reached half and there was less than a 3 goal difference then a Penalty Shootout will determine the winner and a 1-0 score will be recorded. Should either time, light or severe weather prevent the shootout from taking place, then the game will be declared a tie. If this occurs in a championship round then dual winners will be awarded.
